Financial Report

Haloowen disco and Bonfire bingo.... Total profit £727.30

Expenditure has been rather expensive already this year so need to try and cut back on this.

Disco feedback

QR code to be filled in with child's name not the name of the parent as its not the parents attending the disco, ticket cut off date needed on the info and also option of veggie hotdog in the consent form.

Bingo feedback

More advertising, don't advertise things that we haven't confirmed as a pta such as hot food available.

Cauliflower cards

Roughly £89 profit

Feedback from teachers; October is too early as gets the kids too hyped up. Sending artwork home was a lot easier as didn't have to fit into the school timetable.

Other feedback; some people didn't like that it was sent home but overall response seems to be the opposite.

Christmas Fayre 1st December

Non-uniform for tombola prizes, raffle, water to wine, cakes/refreshment stall, reindeer food, take a pick, pick a snowman nose, letter to santa, grotto,
