

## Mathematics

In mathematics, we will be focussing on developing our understanding and use of:

- Place value
- Calculations

We will be practising our multiplication tables daily to prepare for the Year 4 Multiplication Tables Check.

## Computing

We will be learning:

- E-safety
- The Internet
- Satellite mapping

## Art and Design

We will develop skills in:

- Mixing colours to create tones
- Using water colours to create landscape pictures.

## PSHE

Our Jigsaw topic is: Being Me

## Science

We will be learning about and investigating:

- States of matter
- The water cycle
- Working scientifically

## English

During this topic we will be reading and writing different types of fiction, non-fiction and poetry. Furthermore, we will be developing our knowledge and understanding of spelling, punctuation and grammar. We will study:

- Cornish Myths
- Explanation texts

## Learning Environment

Mighty mountains peaks above the morning mists, imposing and eternal, rocky outcrops at their feet. Discover how these giants are formed, as a fold or a block, a dome or a plateau. Follow the water cycle's course from peak to valley.

## Music

We will be developing our skills in:

- Listening and appraising music.
- Creating images that go with music that has been listened to.

## History

We will be recapping on:

- Timelines
- Christian calendar

## Design and Technology

We will be developing our skills in:

- Looking at the design of bridges in landscapes.

## Physical Education

We will be learning and developing skills in:

- Gymnastics
- Developing agility and stamina

## Geography

We will be looking at:

- Rivers, mountains and the water cycle
- Cities and counties in the UK
- Key topographical features

## RE

We will be studying:

- Christianity
  - Creation
  - The fall
